1st February 2024

Highlights:

Fiscal deficit at 55% of BE by December 2023.

The government's fiscal deficit for the nine months ending December 2023 was at Rs. 9.82 lakh crore- amounting to 55.0% of the Budget Estimates- lower than last year's achievement by this time.

- ☞ Capex rose significantly to Rs. 6.74 trillion during April-December FY 2023-24-achieving 67.30% of the budgeted target- higher than last fiscal's achievement of 65.40%.
- ☞ On the income side, total receipts were lower at Rs. 20.72 lakh crore- reaching 76.30% of budget estimates compared to almost 80% by this time in the last fiscal. The Centre's receipts fell in December even though gross tax collections were up due to the central government releasing an additional instalment of tax devolution to states during the month.
- ☞ Non-tax revenue, on the other hand, has already exceeded the target for the fiscal year at Rs. 3.12 lakh crore owing to surplus transfer from the RBI.
