The ‘Policy for Prevention of Insider Trading’ has been formulated pursuant to the Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 and came into effect from 15.05.2015.

This Policy embodies (i) Code of Conduct for Prevention of Insider Trading in shares of Punjab National Bank and (ii) Code of Practices and Procedures for Fair Disclosures (collectively referred to as the “Codes”) to be adopted by Punjab National Bank (“PNB” or the “Bank”), whose shares are listed on recognized stock exchanges in India.

## **2. Policy Details**

### **2.1 Policy Definition**

The Policy is based on the Securities and Exchange Board of India (SEBI) framed SEBI (Prohibition of Insider Trading) Regulations, 2015 (“SEBI PIT Regulations”)

### Code of Conduct for Prevention of Insider Trading in Shares of Punjab National Bank ("PNB")

#### 1. INTRODUCTION

##### **SEBI (Prohibition of Insider Trading) Regulations, 2015**

The SEBI (Prohibition of Insider Trading) Regulations, 2015 [*hereinafter referred to as SEBI PIT Regulations*] require all listed companies and other specified entities to set up an appropriate mechanism and to frame & enforce a Code of Conduct for Prohibition of Insider Trading and internal procedures in respect of dealings in securities of PNB by Designated Persons/Insiders including disclosures to be made by them from time to time.

Accordingly, a "Code of Conduct & Policy for Prevention of Insider Trading 2015" was formulated by the Bank which came into effect from 15.05.2015 and amended from time to time, in accordance with the SEBI PIT Regulations.

**Insider trading** is the buying or selling or dealing in the securities of a listed entity by a Director, member of management, an employee of the entity or by any other person such as internal and statutory auditor, agent, advisor, analyst, consultant etc., who has knowledge of material, 'inside' information not available to the general public. The dealing in securities by an 'insider' is illegal when it is predicated upon the utilization of 'inside' information to profit at the expense of other investors who do not have access to the same information. The prices of most securities generally reflect the available public information about these companies. Hence, any investor who acts on non-public information does so at the cost of public confidence in the securities market and in the process he distorts the level playing field.

The Code is based on the principle that Directors, Officers, and Employees of the Bank owe a fiduciary duty to, among others, the shareholders of the Bank to place the interest of the shareholders above their own and conduct their personal securities transactions in a manner that does not create any conflict of interest situation. The Code is also intended to serve as a guiding charter for all concerned persons associated with the functioning of the Bank and their dealings in securities of PNB.

##### **Applicability**
